Objective:
A dedicated and results-oriented professional with a passion for technology and problem-solving. Seeking an opportunity to apply my skills in software development at a dynamic and innovative company.

Experience:
Software Engineer | TechCorp Inc. | June 2022 - Present
- Developed and maintained web applications using Python, Django, and JavaScript.
- Led a team of 5 developers in building a customer-facing application that increased client retention by 15%.
- Collaborated with cross-functional teams to deliver high-quality software on time.

Junior Software Developer | Innovate Solutions | May 2020 - May 2022
- Assisted in the development of an internal tool to streamline data collection.
- Worked with senior developers to troubleshoot and optimize code for performance.
- Created automated testing scripts using Python and Selenium.

Education:
BSc in Computer Science | University of Example | 2020
- Graduated with honors, GPA: 3.8/4.0

Skills:
- Programming Languages: Python, JavaScript, HTML, CSS
- Frameworks: Django, React
- Tools: Git, Docker, Kubernetes
- Strong problem-solving and debugging skills
- Excellent teamwork and communication abilities

Certifications:
Certified Python Developer | Python Institute | 2021
AWS Certified Solutions Architect | Amazon Web Services | 2022
